

Post-Easter Celebration: Jesus Lives!

The Jesus Story: The Creator-God of the universe, Jesus Christ, left His home in heaven to become a human being. He lived a perfect life, performed miracles, was betrayed, and wrongfully condemned to death. After being crucified, Jesus' body was placed in a tomb. Three days later, he rose from the dead. After His resurrection, he remained on earth speaking to people for 40 days and then ascended to heaven. Jesus sacrificed himself to make a way for all people to have eternal life in heaven.

Jesus said, "I am the light of the world; he who follows Me shall not walk in darkness, but will have the light of life." -John 8:12. God is reaching out to men and women through His son, Jesus Christ. To find out more about God's relevance in your life, we encourage you to read this article by Josh McDowell: Does Christianity Work? at www.leaderu.com/every-student/josh/josh.html.
